Sharon,

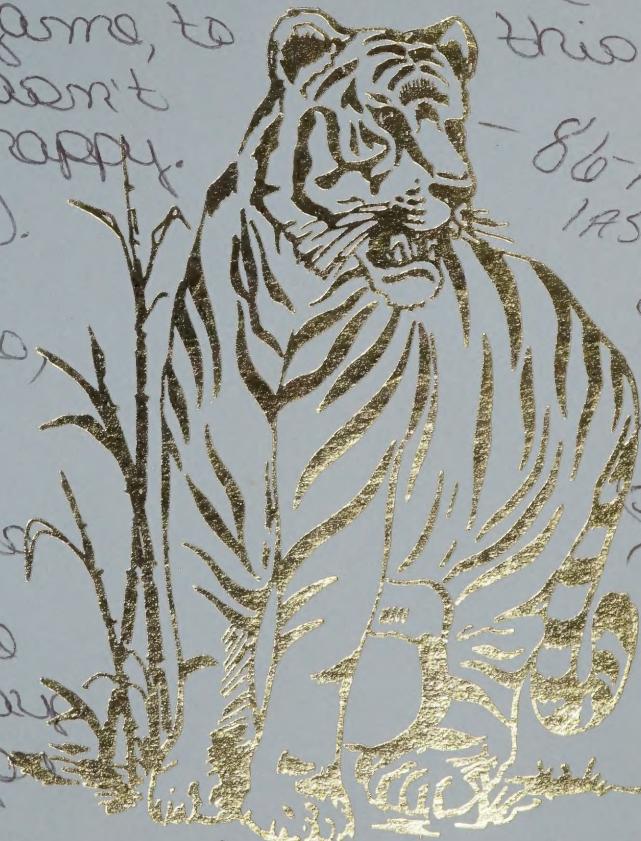

Well it seems to be that time of year again to sign things again. It's not that I don't like to it's just I can't seem to know what to say.

This past year we've become closer and I'm proud to say it. You've been a good listener when there wasn't anyone I felt would understand me. You've been there to hear my family problems and all. A lot of things have changed since last year, we've both got married to the guy of our dreams. Don't forget how I did mine (Nov. 16) going to a ball game, to this day I promise it wasn't planned. But I'm happy (very much indeed).

If you ever need anyone to talk to, just call or come get me.

Congratulations on your new life with Heath, I hope you two will always be as happy as you are now.

Don't ever forget me & the good times. We've made it at last! - 86 - R.J.B.

I can't tell you what a good friend you have been. You literally saved my life. You're a great person and Keith is lucky to have you. I'm very lucky to have you as a friend.

I love you like a sister and I'll always remember you. Good luck in life!!

Sharon,

Well we are finally Seniors! Sharon I know we have not exactly always been friends, but I just want to say you and your friendship ~~do~~ mean a lot to me. We have got a lot of memories together. Me and you go way back. I ~~don't~~ remember I used to come up and we would play together. Well I am sorry about all the little "disagreements" we have had, and I want you to know that I think of you as a very special and dear friend. I am sorry about this being so messy and its not exactly straight either! I wish you the best of luck and I hope that you get everything you ever wanted out of life. You're always Paula

A GOLDEN YEAR

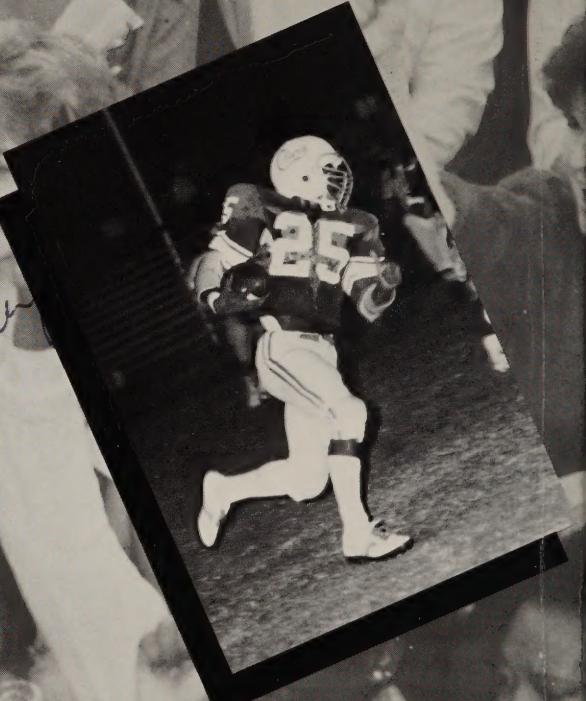

**Childersburg High School
Childersburg, Alabama**

A GOLDEN YEAR

Nearing the end of our high school years, we, the members of the 1986 Senior Class, leave behind treasured memories of our administration, teachers, and activities. Along with these, we leave our childhood laughter and the closeness of our friends, knowing the Class of '86 will never be united as we are now. However, each senior takes with him his own special memories. His years at CHS. To capture these moments, the TIGER TRACKS staff has spent many dedicated hours to prepare this yearbook. To the students of CHS, the TIGER TRACKS staff presents a GOLDEN year of memories.

The Staff

On January 28, 1986, the space shuttle Challenger and its crew of seven lifted off from Cape Canaveral for a seven day orbit into space. Only seconds later the Challenger exploded with no survivors. The seven crew members had worked long and hard to fulfill their dreams of going into space. Although the end of their dreams turned into a tragic one, they will always be remembered in the hearts and minds of all Americans as heroes for their bravery and dedication in exploring the new frontier.

Sharon,

Well, we finally made it. It has been a great year. I have had fun in Shop with you, drawing and especially making our cars. I hate that you don't live beside me anymore, because I don't have anybody to borrow from anymore. Also, I don't have to take ice to the fence about once a week, because that is the time we got our gossipin' in. You better keep-in-touch after graduation, and let me know the special events having in your life, such as having babies. I hope you and Keith have the best life ahead. Good luck.
